## RISK BASED SOLUTIONS THAT WORK FOR YOUR BUSINESS

We are an international management consulting firm based in India & Germany with representatives across all major metros in India and offices in Singapore, Houston and Amsterdam. We provide high powered, seamless and out of box solutions to mitigate your risks and seize opportunities. We are experts in oil, gas, steel, power, renewable energy, offshore & maritime businesses. Why companies choose us is because we are working only on Quality, Health, Safety & Environment (QHSE) with a risk based approach. Our service delivery is worldwide and 100 percent customized for your enterprise.

"Managing Risk" is what we do day in day out, 24x7x365 and it is our deep domain expertise. For example our Online "Risk Score Calculator" & "Rapid Risk Cost Justification Calculator" can give you risk analysis with cost justification in seconds which otherwise may take hours to calculate.

Our IT applications centre has developed innovative world class QHSE solutions where we conduct paperless audits on tabs/smartphones and issue reports instantly. We provide solutions where we can convert your management systems from paper to paperless increasing your efficiencies multifold. To find out how we can transform your work life contact us at below .
